COLLECTION

Don't miss the opportunity to drive a classic Italian means of transport and to explore the **Valle d'Itria** driving a **VESPA** following our expert escort and our professional guide who will accompany you through the most stenographic routes to get to **ALBEROBELLO**. In total security you will follow the road map to get to **PIAZZA CAVALOTTI** where you will proceed with the guide for the walking tour of **ALBEROBELLO** whose districts "Monti" and "Aia Piccola" were decreed UNESCO World heritage sites because they are entirely composed by "trulli" lining the uphill lines. Visit of the *Trullo Sovrano* (only external) and of the Church of Saints' Cosma and Damiano. Stop lunch at a typical local **trattoria to taste** all genuine produces from the kitchen garden. Time at leisure. In case you don't want to stop for lunch we can proceed on with the visit of **LOCOROTONDO**. Vespa can be driven only by adults with a European driving license, it is necessary to provide a credit card number as guarantee of eventual damages or unpaid road fines. Alternative route: **MONOPOLI** and **POLIGNANO a MARE**. It is also possible to rent the sole Vespa to explore Puglia by your-self. In case you are not confident with scooter we can arrange a comfortable visit on private bases with Minivan and professional guide. Please refer to the reception to book you visit. **Estimated Total time for the activity: 6 hours**
