## DISCOVER TRUE LUXURY – OUR 2 EXTRAORDINARY SUITES PENTHOUSES

The magic of an unforgettable getaway can be defined by the intensity of flavours, aromas and memories gathered when merged with the intimacy of staying at the Hotel Plaza e de Russie. Put simply – there’s nothing quite like a vacation filled with the ambience of modern luxury and personalized attention to ensure that each client has an unforgettable stay.

Highlights of the hotel are two, brand new luxurious and elegant Penthouses Suites, famous for their magnificent views from their large private terraces. Guests will have the privilege of sumptuous sea sunsets and a unique view that ranges from the Cinque Terre to the Apuan Alps. Each penthouse has its own unmistakable style and character featuring warm, subdued tones and sophisticated details that fully embody the ‘design concept’ that typifies Hotel Plaza e de Russie.

Both penthouse suites feature ample, welcoming living and dining areas with equally ample yet intimate bedrooms, and luxurious bathrooms that are a signature feature of the hotel’s elegant design. Each of the suites has its own personality and distinctive details, from the intimate atmosphere of the bedroom in Penthouse Nord with its round, king-sized bed to carefully chosen furnishings and linens, fabrics and finishes.

*“ I was very excited to hear about the re-opening of Plaza e de Russie. Viareggio is a great summertime destination for families, and Plaza e de Russie was the perfect fit for my clients. My clients were impressed by the hotel and very much enjoyed their connecting rooms. They had fun exploring this new destination as well, especially since it is only an hour and a half outside of Florence. It was a great place for this family to escape the city and relax by the sea. ” B.K. – Brownell Travel*
