# Private Sailboat - 5 Terre

You will get both mental and physical workout on the water and it is a perfect activity to share with family and friends of all ages. The professional skipper on board will be happy to advise the ones with no or little experience and be assured that everyone, from elementary schoolchildren to grandparents can learn to sail. The sense of pride and achievement that comes with learning to sail is priceless.*

Your skipper welcomes you on board of the luxury sailing boat which is for up to 9 passengers, 15 meters long with 3 cabins, kitchen and toilet.*

Even if you are not a poet, you will be delighted by the view of spectacular seaside villages, little ancient towns, uninhabited islands, steep green hills, crystalline water and small idyllic bays. The cruise continues along the picturesque coast of the Cinque Terre National Park and you will admire its unique landscape, the small villages built right on the cliffs, the typical shapes of the terraced hillside supported by dry-stone walls. You will be gliding past the Cinque Terre on this sleek sail boat, enjoying space and privacy as well as an incomparable view of the five rock-perched villages.*

*Lunch will be served on board and you might also go for a swim or do some snorkeling in one of the quiet bays.
