SARDEGNA

Feel Free Again

From the 27th of June, your home away from home

Forte Village is a place that remains unique in the world where you can relax in total harmony with nature, get back into shape, fill your lungs with the the “green blood” of our centuries-old park, the chlorophyll, and the iodine from our crystal clear sea and regenerate your body and spirit, forgetting the hardship of these last months. A truly incomparable place that fully restores the feeling of complete and total freedom, Forte Village will reopen on 27th June in maximum safety for you and your loved ones, as well as all the staff of the Resort.

Safety, Privacy and Wide Spaces

An holiday of relaxation and regeneration

THE RESORT

The property as only one entrance. It will be monitored 24/7 and is inaccessible to outsiders. 50 hectares of flourishing park, a 'green' resort with lush tropical gardens.

STAFF

All the staff will undertake specific training. Furthermore, the medical center on site will ensure all the members of staff are tested.

SUPPLIER CYCLE

Supplier cycle managed with a completely independent flow with no interaction with the residents. Goods arriving at the resort will be strictly sanitized before delivery.

MEDICAL CENTER ON-SITE

A medical center will be open 24/7. The establishment of a Covid protection medical facility guarantees the administration to all occupants (both customers and staff) of the tests necessary to verify their state of health.

TEAM OF DOCTORS AND HEALTH EXPERTS

The presence of a management team of doctors and health experts from the "Covid Management Team - CMT" sector, able to manage processes in full compliance with the highest standards of hygiene and safety.

SANITIZING MEASURES

The adoption of all the necessary actions to guarantee a "sterile" resort through a stable activity of certified sanitation of all public and private areas (that will be carried twice a day).

ROOMS AND LUGGAGE DELIVERY

Room set up 2 times per day: Sanatizing, Cleaning Linen. All luggage will be sanitized before entering the resort.

SERVICES

The beach, swimming pools, restaurants and other recreational activities can be experienced without excessive restrictions thanks to the best available precautions.

RESTAURANTS

Almost all open-air, wrapped in gardens or by the sea, will be rearranged, maintaining the atmosphere that makes them unique.

A Unique offer of services

Wellness, freedom and fun for everyone

THE MEDITERRANEAN SEA

Forte Village, luxury beach resort, overlooks an expanse of pristine white sand beaches and is situated in the south of Sardinia, in one of the most beautiful and poetic points of the island. Due to the mountain that protects it, Forte Village is characterized by a microclimate similar to a tropical location: which is why Forbes has included its beaches among the 5 most beautiful in the world.

POOLS IN A WONDERFUL NATURAL SETTING

The sea may be spectacular, but it's always good to have an alternative, and here at Forte Village you'll want for nothing. If you want to take a dip or dive into some freshwater for a change, you can try one of the pools in the heart of the resort, one of which has an area for children too.

ACQUAFORTE SPA

Blossoming at the heart of a tropical garden is the Forte Village Spa and the extraordinary thalassotherapy circuit. Its six salt-rich seawater pools maintained at different temperatures help to restore balance. You can also enjoy the benefits of the Immune System Boosting programme, for a special strengthening of the immune system.

SPORTS ACADEMIES

Learn from the legends of sport, discover their secrets and absorb their sense of fair play: lessons in life and dedication which light up Forte Village's outstanding Sports Academies. There's an array of sports on offer, from soccer with coaches from Chelsea Football Club to tennis, basket, boxe and much more.

RESTAURANTS

Almost all open-air, wrapped in gardens or by the sea, will be rearranged, maintaining the atmosphere that makes them unique. Forte Village offers a choice of restaurants where you can enjoy fine Italian and world cuisine prepared by our Resort Chefs. During our Celebrity Chef Evenings the stars of haute cuisine demonstrate their skills beneath the stunning star studded night sky of the Forte Bay Terrace.

CHILDREN'S WONDERLAND

In an enchanted garden just steps away from the beach, Forte Village has created a kingdom of happiness especially for its younger guests. The Children's Wonderland is like nowhere else on earth, a place where kids up to 12 years old can have fun from morning till night, all in complete safety. Experience, the Acquapark with exciting water-slides and water games.

SHOPPING & FUN

Days fly by at the Resort's brilliant Leisureland. Endless challenges await you at the go-kart track and bowling alley. When the lights go on in Piazza Luisa, the party begins. International musicians and entertainers take to the stage. Toast your closest friends with a bottle of champagne in the private lounges. The reflections of an unforgettable evening shine on in your eyes
