

# Cala Ponte Hotel ★★★★★

The Cala Ponte Hotel is located directly on the sea with its very own marina, a short walk from the historic town of Polignano a Mare and its famous cliffs overlooking the Adriatic. Within easy access to Puglia's historic sights, the resort offers great value and is a perfect retreat after a day's sightseeing with its own pools, tennis court and spa.

Andrea Sabato

▲ Andrea Sabato has been in the hospitality sector for many years and has worked at some of the most prestigious hotels in Puglia. Originally an academic and professor, Andrea has an analytical approach to hospitality. At the Talea Collection, Andrea is responsible for the operation of three hotels, a beach club, a marina and a regional DMC. So as busy as he is, we can always count on Andrea to look in on guests and make sure they are enjoying the finest Apulian hospitality. After all, he is a son of these lands and he wants guests to have the very best impression of his homeland.
