Benoit Saudemont

▲ Running a Paris 5-star luxury boutique hotel is a special art. One must be well connected, discreet, infinitely customer driven and an ambassador of all things Parisian. Benoit knows where to find the finest caviar in the city just as he unlocks the door to Paris's premier restaurants. Do you want to know the chicest wine bars that have recently opened or are the fine art galleries your cup of tea. Regardless, Benoit is your man. Benoit says it best... "My most fervent wish is to welcome you in a way that makes you feel at home from the minute you step through the door as if you were being greeted by relatives. We want to share your feelings and discoveries with soul and passion; to surprise you with the quality of our service." And THAT is what you can expect from Benoit.
