

Il Palazzetto ★★★★★

A hidden gem right in the middle of Rome, the four-star Il Palazzetto is an elegant and sumptuous haven that can best be considered a ‘private residential annex’ to the Hassler Roma. Housed in an historic building right “on” the iconic Spanish Steps, Il Palazzetto (the Little Palace) houses four ample rooms tastefully decorated and fully equipped.

Roberto E. Wirth

▲ In 1999 Roberto E. Wirth, owner and general manager of the Hassler Roma bought a historic palazzo right on the Spanish Steps once belonging to an aristocratic Roman family. Just a few steps from his legendary Hassler Roma, Roberto set about to transform this beautiful home into a stylish and very welcoming boutique hotel; he called it Il Palazzetto.

Roberto’s aesthetic touch and graceful hospitality is in evidence as soon as you enter Il Palazzetto which houses 4 very large double rooms, a bi-level wine bar and spacious event space for social gatherings. Roberto stores his impressive collection of fine wines at Il Palazzetto, perhaps on your next visit you may have this legendary hotelier open a special vintage for you.
