

# Travelive Greece

Mina Agnos

Travelive is one of the world's most decorated luxury travel companies, providing an extensive range of destination services through its local offices in Greece, Italy, Spain, Turkey and Egypt. Its U.S. offices in Florida provide travel advisors with the legal, financial and customer service benefits of working with a U.S. company. Travelive is fastidiously focused on helping advisors shine in the eyes of their clients.

◀ Mina is a “rock star!” She and her team at Travelive have built one of the most respected DMC’s in Europe and we at Waterstone are so pleased to have her infectious energy as part of our company. As a former independent contractor herself, Mina understands your needs and travel advisors just love her. She is very friendly, likeable and good natured but beyond that, advisors appreciate her encyclopedic knowledge of her destinations, her quick and accurate assessments and her direct way of communicating. Working with Mina advisors feel confident and secure. Advisors know that when Mina says something, you can count on it. I met Mina 20 years ago and I knew that there was something special about her. It took 19 years for us to wind up working together and I am delighted by her success and absolutely thrilled to have her and Travelive in our Collection.

*“ I love Travelive! I was in Greece on a fam trip not long ago, I’ve used them for my personal trips, and I am currently working on a client trip for Athens, Crete and Santorini. Mina is wonderful to work with and I am so glad to know they are part of your collection. ”*
